

Ever Wonder If **Reliable IT Support** Exists For Medical Practices Throughout Vermont?

If you're Searching for a Highly-Responsive IT Services Firm in Vermont that's Easy to Work With, Responds Fast and Actually "Gets" that Your Patients Come First, You've Come to the Right Place!

"Electronic life in a busy, small medical office is a daily whirlwind — electronic medical records, patient portals, document scanning, etc. The professional staff at DominionTech Computer Services have never let us down — DominionTech is our rock. And we know the difference they make, having had less-than-great prior experiences with other firms. Hire DominionTech and you won't look back."

Dr. David Weissgold
Retina Center of Vermont

Why DominionTech?

DominionTech Inc. was founded in 2001 with the mission to help small and medium-sized businesses with mixed network environments get the most out of their IT investments. Now we are one of the leading IT service providers in the Northeastern United States.

DominionTech employs some of the brightest technology professionals in the industry. Our team manages the technology for the best companies in Vermont. We look forward to the ever changing technology climate with excitement and a solid foundation to create success for many years to come – for both our clients and ourselves.

With technology solutions from DominionTech, we'll take care of all your IT needs so you can concentrate on what matters to you most: **running your medical practice.**

Why depend on DominionTech for IT service and support:

- **Highly Professional Team at Your Service** – Our experts have a proven record of delivering top-quality high-value tech support.
- **No Costly Downtimes** – With our 100% Uptime Philosophy, we ensure all your systems to be running smoothly, so you never face those unexpected and expensive downtimes.
- **Our Microsoft Silver Partner Status** – Reserved for companies that demonstrate excellence in implementing Microsoft technologies.
- **Service Authorizations and Industry Certifications from the Industry Leaders** – we are an authorized service provider for Comptia, Mirosoft, Lenovo and many others.
- **We Give Back to the Community** – We love our Vermont community and regularly donate money and time to make it better.
- **Vermont Based Help Desk** – Our help desk is staffed by your community members.

**Choose DominionTech as your reliable IT partner
to take your medical practice to the new heights!**

TIMBER LANE
Allergy & Asthma Associates, PC

"We were dissatisfied with our previous tech support specialist. It was during this time we found DominionTech. DominionTech responds quickly, and efficiently. They are accommodating to all aspects of privacy, and scheduling requirements concerning a medical office. DominionTech is personable, easy to work with, respectful, and professional... without being stuffy! DominionTech is known as our "Hero of the Day".
